This little Beignet Pin is a tribute to my love of one of a favorite Disney Treat, the Beignet. After trying these tempting little delights, I've found myself wishing I could have them everyday. The pattern is beginner friendly and perfect for your next Disney trip attire.

Special Stitches

FRENCH KNOT EMBROIDERY FOR THE POWDERED SUGAR TOPPING:

Begin by securing the embroidery yarn in the work. Now yarn over the back of the needle 4 times.

With the four loops on the needle, insert the tip of the needle in the work close to the beginning point but not in the same stitch.

Gently work the needle through, making sure not to lose any of the loops as you pull the needle through the work.

Carefully pull the knot securely.

Ensure the stitch is secure.

Continue adding french knots to give the Beignet a powdered sugar appearance on top.

Special Stitches

12 STITCH MAGIC LOOP

Loop the running end over the cut end of the yarn to make a loop.

Insert hook into the loop and pull up a loop.

Yarn over and pull through.

Now work the desired number of SC stitches working around the loop. In this case we will be working 12 SC around.

After you have worked 12 SC around the loop. Find the loose end.

Gently, pull the loose end snugly to close the loop. Magic loop made. Fasten off leaving a long tail for stitching.

Pattern Instructions

PART 1: BEIGNET PANEL

(MAKE 2)

Rnd 1: CH 9, turn.

Rnd 2: SC in second chain from the hook and in each remaining ST across. (8)

Rnd 3-9: SC in each ST across. Ch 1, turn. (8)
Color change to Red Heart Super Saver in Buff yarn.

Rnd 10: SC around edges of the Square. Fasten off, leaving a long tail for stitching.

Repeat Rnds 1-10 for the back panel.

After completing the second panel align one panel on top of the other and using the long tail, stitch around 3 edges of the panel. Stuff lightly with fiberfill. Leave the last edge open to complete embroidery stitching for the powdered sugar topping.

POWDERED SUGAR MAGIC LOOP TOPPING: MAKE 5 MAGIC LOOPS.

Follow the 12 ST Magic Loop tutorial above to make 5 Magic loops with long tails for stitching in place.

Add the Magic loops by stitching them into place on the top of the beignet.

Fill in powdered sugar topping look by making French knots in the top of the beignet with white yarn.

After completing the desired amount of Powdered sugar embroidery, continue stitching around the open edge of the beignet to stitch the last side closed.

Now stitch a bar pin to the back of the beignet and it's ready to wear. The best part about this pin is that if you get real powdered sugar on the beignet pin while eating real beignets at the Disney Parks, no one will notice:)

Briarberry Farmhouse

This summer, on a family visit to Disneyland, I tried Beignets for the first time. It was love at first bite and I still want to go back and have more every day. These little treats are so delicious that I came home and made a crocheted Beignet pin to wear. I hope you'll enjoy the whimsy style of these delicious bakery delights and if you see Tiana on your next Disney visit, give her a hug from me.

I learned to crochet from my Grandma Sherrie when I was 8 years old. Crocheting hot pads and wash rags and learning new stitches was just a way to spend time with my Grandma then. Something happened along the way as I continued crocheting into adulthood. I found the same love for creating that my Grandma had. My wish is that you will share your love of crocheting by patiently teaching a friend, coworker, neighbor, child, or loved one the basics of how to crochet so that just maybe, they might find the same spark that you and I, and Grandma Sherrie share.
